

**Volunteer Bakers**

The Monastery Bakers Team is in need of more bakers! Each Tuesday morning, volunteers come to the monastery to mix, form, freeze and even bake cookies, breads and pastries for the monastery. The yummy cookies you enjoy at the Hospitality Counter? Provided by the bakers' hands! The bakers need some more of said hands. Are you available Tuesday mornings at 8:30? Come join the bakers in this labor of love. Baking is usually complete by about 10:30 or 11:00. Stay for Mass and join us for lunch after if you would like!

Volunteers at the monastery must have a background check performed through the Monastery. Once a background check is completed and passed, you will be contacted by the baking team with a start date.

If Tuesday morning does not work for you, but you would like to volunteer, there are many other opportunities available.

Please contact Margaret Barrett. Thank you.
