

Double your contribution!

We invite you to join those donors who have stretched their dollars to help support Saint Paul's Monastery. Many companies offer matching gift programs to encourage you to contribute. Most of these programs match contributions dollar for dollar, and some also provide a match for your volunteer hours. Turn your \$100 donation into a \$200 donation, or your 20 hours of volunteer time into a \$100 donation with the help of your employer.

If you do not see your company listed below, please inquire with your human resources department about your employer's matching gift policy and leverage your donation today.
