

ST. PAUL'S MONASTERY

Though the Order of St. Benedict was founded in 6th Century Italy, the Twin Cities' Benedictine Community was founded in St. Paul in 1948. We belong to a Federation of Benedictine Communities located throughout the world. Our life consists of prayer and service: *Ora et Labora*. We serve in schools, parishes, nursing homes, and our Benedictine Retreat Center. We support the spiritual growth of people of all faith traditions. At our Monastery home, we joyfully practice the *Rule of St. Benedict* to "Let all guests who arrive be received as Christ" (4:53).

Volunteers are a vital part of our outreach, ministries and mission in the Twin Cities; each year, over 100 volunteers contribute more than 2500 hours of service to the Monastery. They selflessly give of their time and talent to help serve those in need.
